Sexy Girls on the beach!

Soon!

Who are these guys Savita? We can't be alone with Karan with these two following you around!

I'm sorry Roshni! I didn't expect all the guys I've slept with to turn up at the same time.

Ha Ha! You are such a slut Savita!

I'm sure each of those three is thinking about fucking you tonight!

I'd better get rid of these two guys so I can get a taste of Savita's sweet pussy tonight!

AHH..YESSS!

LICK MY
PUSSY-Y!
AHH..MORE...
YES..YESS!

Round 2

Why doesn't he just push them off? They can't be that heavy!

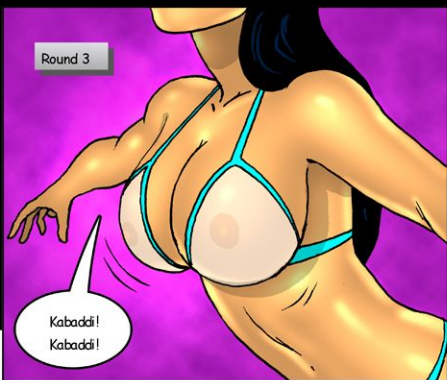

Who cares about the game when I have three girls rubbing their breasts in my face!

Round 3

Kabaddi!
Kabaddi!

Wow! Look at how her boobs are bouncing!

Ha ha...He's paying more attention to my bouncing breasts than to the game!

Kabaddi!
Kabaddi!

Later that Evening...

I've never been to a costume party before, Savita!

Neither have I.

And I can't decide which dress to pick either!

Look at what I've found Savita!

Are you sure Roshni? They look a bit small for us!

Don't worry Savita, they'll be perfect!

So Nitin, how did you meet Savita?

Oh..I showed them around the local beaches on their first day here.

So guys...How do we look?

Wow!

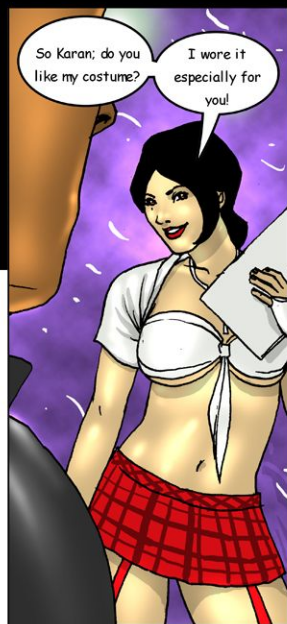

Whoa...

What do
you think?

Savita's a nurse
and I'm dressed
as a schoolgirl!!

Later...

Oh you guys..you are flatterring us...Stop it!

I think it's time to start the plan!

What is it Roshni?

Ohhh Right! It's time.

Oh Nitin! Why don't you give Roshni a tour of the house?

Oh yes... Let's go Karan!

Bhabhi can stay down here with Rahul and Anuj.

Downstairs...

Doctor Rahul

Why don't we play a little game while they are upstairs?

Game?

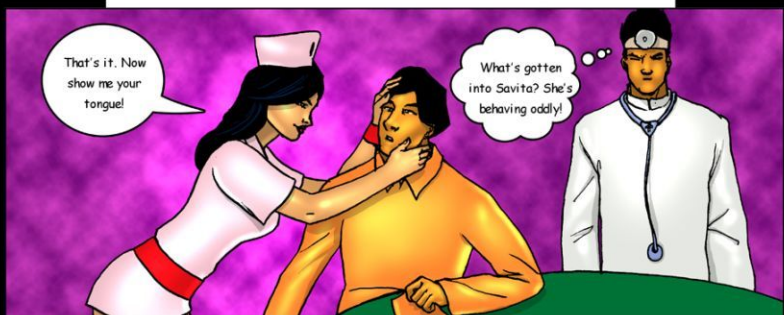

What kind of game?

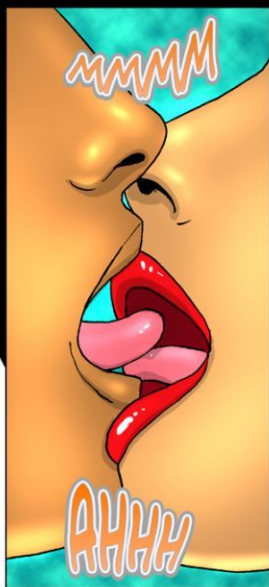

A role-play! You are the doctor and I'm your nurse.

Anuj here is a patient.

Don't worry Anuj; Nurse Savita is going to give you a complete physical check-up!

I'd love to check-out her boobs!

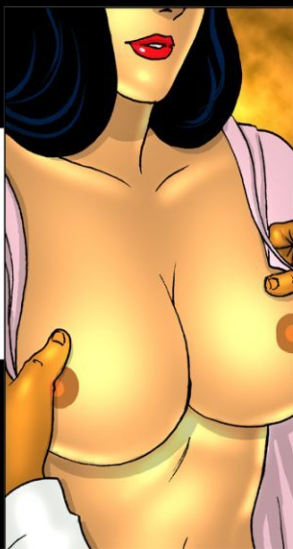

That kiss got my heart racing so fast!

Maybe you should check my heartbeat Doctor!

OH Doctor..Looks like you want to check me directly.

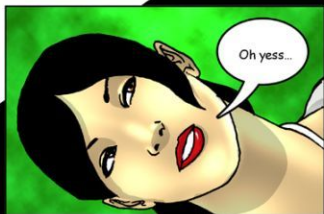

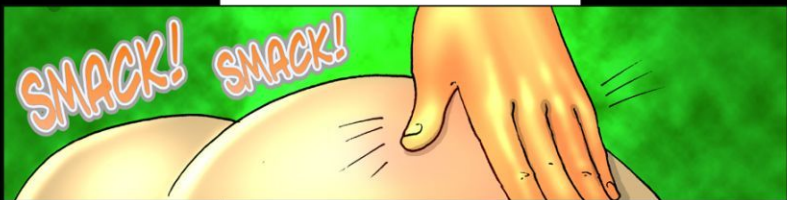

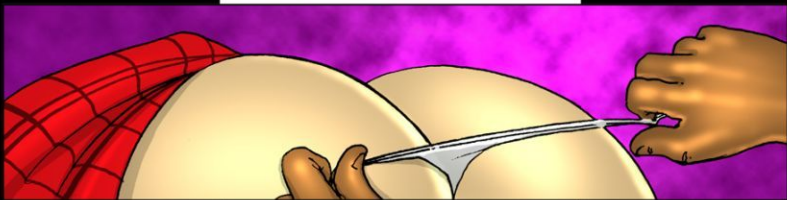

Mmmm.I can hear your heartbeat Savita.

Looks like you need some special treatment!

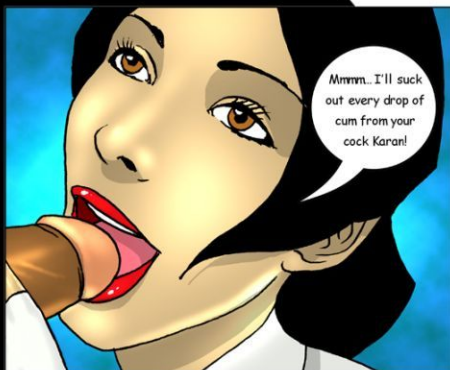

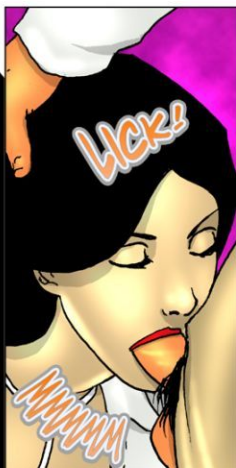

Meanwhile...

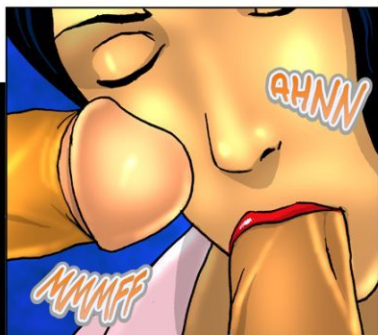

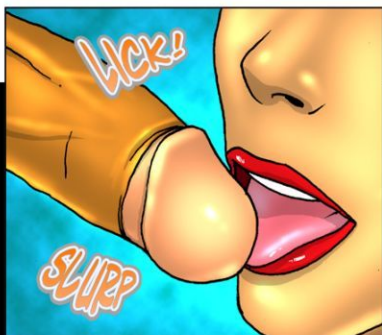

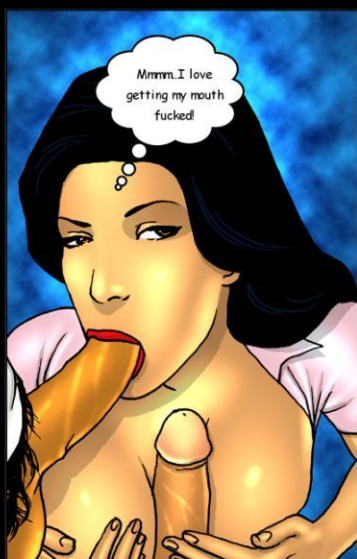

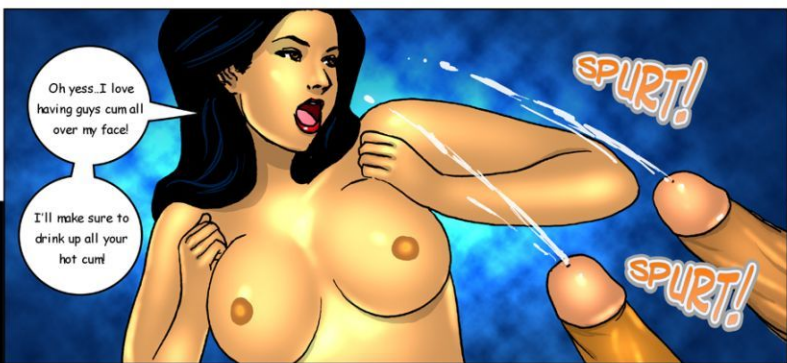

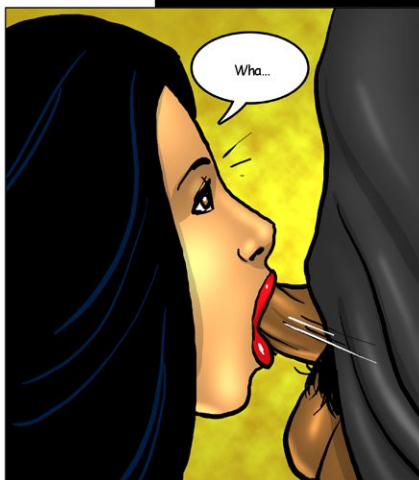

AAAAH---
